June	26 th to 27 th	<p>BioBlitz 9am Friday 26th – 3pm Saturday 27th June 2009 This is a 30-hour race against the clock event where scientists, local naturalists, members of the public, schools and community groups work together to find and identify all the wildlife in a certain area. It is an opportunity to allow the public to discover and experience what nature has to offer, and has the dual aims of establishing the degree of biodiversity in an area and popularising science.</p>

		For more information see www.bnhc.org.uk or email Berry Goddard on berry@bnhc.org.uk .
